

# Sister Mary Rene Procopio...

... founded the Mooncrest Neighborhood Program 20 years ago, recognizing the dignity and beauty of each person, promoting spiritual, intellectual, physical, social and emotional development for the children and families of the Mooncrest community.

Her work continues...

Thank you to our sponsors and participants. Your generous support makes this event a success!

As Sr. Mary Rene would say...

God bless you big time!.

**Mooncrest  
Neighborhood  
Programs**

**A HopeBound sponsored ministry  
of the Felician Sisters.**
